MONEY IS COMING TO WINTERTON!

Winterton is to get a new Community Hub next year by March 2011. This will mean Winterton will get more services on its doorstep. Plans are already underway to build a new library, with local link facilities and this might include a Town Council office in Winterton—near the Junior School. North Lincolnshire Council are pulling out all the stops to make access to services easier for Winterton people. Ward Councillors Linda Cawsey, Alan Smith and Bernard Regan have done all they can to make this happen. Watch this space for further information on this.

Winterton Agricultural Show 3 & 4 July 2010.

The Town Council is sponsoring the **FUN RUN** at the **Winterton Agricultural Show** this year and is also having a stand in the **Craft Marquee on the SUNDAY.**

Do come and speak to the **Councillors** and the **Town Clerk** about the Town and any issues that affect you in Winterton.

Even if they are complaints, we want to know about them so that we can try and put things right. If there is a service you need and it isn't there—please do let us know—we are in an era of change and we might be able to help make a difference. We hope you enjoy the show and hope the Show Committee have another successful event.

Thank you to the Show Committee for permission to use this photograph

CCTV is now up and running on Grangefields. The CCTV has now been commissioned on the Grangefield's Site—near Stovin Crescent, which covers the snicket, Teanby Drive overlooking the Park and Bungalows there and De Lacy Way near Nassau House.

The CCTV system is at the forefront of technology—and BRENT Electronics who has installed the scheme is still monitoring it—to make sure everything is running smoothly. The system is automatic and digitally records images on to a digital recorder, so does not need to be watched. If there are any incidents the police can view the evidence and it can be used to help fight criminal activity. People have said that the cameras also make them feel safer.

Town Clerk
Mrs Pam Dudson

Bus to Brigg

“Winterton - Working in Partnership with the Police and Neighbourhood Action Teams”

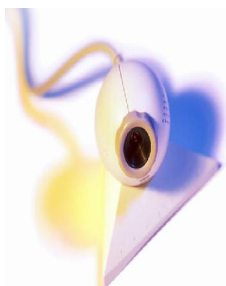

Police Station:

0845 6060 222

Hospital

01724 282282

Always phone 999 for Emergencies

Bus to Brigg

This years service to Brigg will run through from April to October again and —not just during the holidays. This is a service and was never meant to make a profit, and if the bus is used enough then it will continue.

The Bus leaves Winterton at 10.30 am from West Street and De Lacy Way **Phone Box**, Earlsgate—next stop — and on route to the

Cross Keys in Winterton—it does stop in Appleby.

Bus Returns from The Garden Centre, Carey Lane and Leisure Centre at around 2.30 pm—you may have to wait 10 mins or so but don't be later than 2.30 pm.

SWIMMING.

The Bus to Brigg that the Council put on

Thursdays - visits Brigg Leisure Centre—the council wanted residents to know that over 60's and under 16's swim **FREE**.

The Bus goes on to Brigg Town Centre and then the Garden Centre. It only costs £1 return for all adults and .50p for children under 14—accompanies by an adult. If you would like more information please contact:

Linda Cawsey 01724 734870 or Pam Dudson 01724 732647

Safer Neighbourhoods

Winterton Town Council is working with the Safer Neighbourhoods Team to improve people's quality of life—reduce crime and identify what people's priorities are. **Alert Boxes are available** - which combines technology and the time of volunteers to help foster a new mind-set where people help each other build a safer community.

Networks use digital wireless transceivers to connect people in different

homes. It broadcasts warning or emergency messages to neighbouring **Alert Box** units at the press of a button. Installation consists only of plugging the unit into the mains, and is simple to use and requires no configuration by the user. Each Alert Box is programmed with the users name and address and keeps a log of all events. **A broadcast Warning** message raises vigilance and awareness before a possible inci-

dent takes place. Typical examples of warning message include; bogus callers, suspicious people or antisocial behaviour.

A broadcast Emergency message brings assistance from neighbours within seconds and generates extra witness potential for the emergency services. Typical examples of this include attempted break ins, fire or medical problems.

Also would you like to start a Neighbourhood Watch Group?

If you are interested in loaning a unit contact: Caroline Boff, on 01724 272299 or email: caroline.boff@northlincs.gov.uk.

CCTV Cameras

Winterton was one of the first Town Councils to purchase CCTV. The digital imagery is excellent and It has been very good at reducing crime in the area. CCTV signs are erected in the approximate vicinity where the mobile CCTV are sited—and they record digital images for 2 or 3 weeks.

If there is an incident these are handed to the police.

The Town Council have about **6 mobile cameras**, and **four** main CCTV which covers central areas of Winterton and the Grangefield area. The cameras automatically record movement and also zoom in and out while they records. The digital images are sent to a digital recorder via radio link.

It records 24 hours a day, 7 days a week.

If no incident occurs, the imagery is written over, but if there is an incident, the recordings are handed to the police. The mobile cameras can be loaned to residents of **Winterton**, who may experience anti social behaviour or damage to their cars or property. If you want to know more, please contact the Town Clerk: Mrs. P Dudson on 01724 732647

Financial help for small Winterton Groups is available

If you are a local groups that could do with a start up grant or help to keep your group running - you can write to the Winterton Town Council to see if they will give you financial support.

The council usually gives grants starting from £50 as a start up grant—but may give more if your group depends on support from the council when applying for other grants. If you are already established the council will need a copy of your audited accounts.

If your group has changed organisers, we would be grateful if you could let the council know so that our records are kept up to date and so that we can invite you to Civic functions that happen through the year.

Issue 2

May

Children's Centre

Winterton Children's Centre is a bright, welcoming, well resourced centre on the site of Winterton Infants' School.

The Centre has a key role in developing integrated community services where parents/carers and their young children can access support and advice. The Centre has already provided support from Midwifery and Health Visitor services, Early Years activities e.g. baby massage, Stay and Play and Wiggle and Giggle, and support for parents through a Nurture Group. This combined with the development of Extended Schools should help families access the support they need locally and with greater ease. Further information: **Contact: 01652 637766** or you can phone **01724 732386** for the C of E Infants School.

Winterton is to get more Play Equipment on Marmion Drive PF.

Winterton Town Council have secured another **£45,000** to improve play provision on the Marmion Drive Playing Field. This will mean families will have some facilities' on their doorstep and they won't have to walk across busy roads with their children to access such a facility.

We do want to know what people think about this play area and the equipment they would like to see. **Playbuilder** Fund organisers will be consulting with the Schools on this if any of you have views about what you would like to see please contact Pam Dudson, Town Clerk Winterton Council on **01724**

Chapel at Cemetery

If anyone would be interested in using the Chapel in the Cemetery—please contact the council—now it has been refurbished the council would like to try and make use of the building.
