Members need to begin the preparation of planning an enjoyable and interesting week for our guests in the summer of 2010.

A list of previous visits was provided and also a list of excursion ideas for the next visit in 2010, after much debate a number of possible trips / activities was agreed.

Request for individual, couples or small groups to take responsibility for visit / excursion, once members have agreed which they prefer.

A list of questions to ask and points to look out for when assessing the suitability of a potential destination is to be supplied and discussed at the next meeting.

To be organised towards the end of November, a fun and games evening with raffle.
