

WINTERTON TC

TUESDAY 15th JANUARY 2013

NEWPORT DRIVE PLAYING FIELDS (CLUBHOUSE)

Grant of £22,224 towards the cost of constructing a new pavilion / changing rooms.

PARKING ISSUES AT:

KING STREET - OBSTRUCTION TO DRIVEWAYS

December 2012 - Highlighted to NCL Parking Enforcement for action. Area is already patrolled but has been stepped up. Also, incident where 2 buses from opposite directions went along the road and scraped a parked car. Highlighted to NLC Public Transport who contacted the bus company concerned.

NORTHLANDS ROAD – 20/12/2012 - Letter from Ward Cllrs sent to all residents on Northlands Road asking if they have problems with parking on the road. We have received many responses and will correlate replies in the next few weeks.

QUEEN STREET – 10/12/2012 to Ian Jickells (Highways Traffic Officer) – To look at prioritising parking restrictions on the road in relation to the TESCO application. Traffic incident on 07/12/2012 where a passing car hit a parked car. **11/01/2013 – Update from Ian Jickells – This issue will be discussed for inclusion in the new future works programme.**

MARKET PLACE - DISABLED BAY AT THE CO-OP BEING ABUSED

due to worn road markings / inadequate signing.

11/01/2013 – Update from KEVIN VESSEY (Highway Maintenance) - Works order has been issued and the Highways Maintenance team will action this in the forthcoming week (weather permitting)

CLIFF AVENUE and EARLSGATE

Have received Monitoring Stats received from ROY HINDMARSH (HIGHWAYS TRAFFIC)

LOW STREET

SPEED REVIEW – ROY HINDMARSH (NLC HIGHWAYS) IS LOOKING INTO THE REQUEST FROM WTC TO HAVE THE PLANNED REVIEW PRIORITISED DUE TO THE IMPACT ANY DATA ON THIS COULD HAVE ON THE TESCO APPLICATION

10/01/2013 – Update from ROY HINDMARSH – This was added for monitoring in October 2012. It is on his list for monitoring and will be actioned in the next round of monitoring.

TESCO

UPDATE ON PLANNING APPLICATION

Application on the Planning Committee 16/01/2013 with a site visit also.

HART LANE – POTHOLES

07/01/2013 - Reported for repair

Highlighted from the last NATs meeting

NORTHLANDS ROAD SOUTH – STREET LIGHTS INOPERATIVE

04/01/2013 – Reported to Highways Lighting. Highlighted from the last NAT's meeting. Highways Lighting have confirmed that the fault is an ongoing Northern Powergrid problem. Formal complaint has been made to them with regard to their performance levels. Response awaited. It is being monitored and chased daily.

14/01/2013 – Lights working on the 11/01/2013 but now staying on all day also. Reported to Highways Lighting for repair /action.

WASTE TIPS

HOW GRADED – INFO FROM ANDREW PERCY MP OFFICE SENT TO FRANCESCA MARRITT (from EA)

09/01/2013 – Response received from Andrew Percy MP office – information received from the Minister. Information is in line with the earlier response from the EA.

WINTERTON FCC LANDFILL LIAISON MEETING

Next meeting to be held on the 24th January 2013, 6.15pm, West Halton Village Hall. Ward Councillors will be attending.

05/01/2013 - Further smells from the tip highlighted to Keith Morgan (EA) / Fraser James and Simon Turner (FCC).

07/01/2013 – Response from Keith Morgan (EA) – Logged and being monitored. Site visit would be carried out during the week

ROXBY BENDS – Planned Road Closure for resurfacing

18th to the 22nd MARCH 2013

14/01/2013 – UPDATE FROM STEVE HARRISON (Traffic Officer):

Will be a night time closure starting at 7.00pm until 7.00am the following morning.

(See attached plan showing the diversion route). It is via Briggate Lodge (as there is a weight limit on Risby Road). Any vehicle below the weight limit can still use Risby Road.
