

## Winterton TC

Tuesday 18 February 2014

### Pre enquiry meeting - FCC Turbine Appeal

To take place Monday 24th February at Civic Centre

### South Street Parking

A site visit with Highways has been arranged to look at residents access and parking issues

### Northlands Road

Consultation responses – 2 responses to the consultation letter sent out. Requesting help with the inconsiderate parking by residents. Also asking if a resident's parking scheme could be implemented.

### North Street Speeding

Additional speed monitoring has been taking place recently, waiting results

### Community Grant

Recently attended a presentation of the Community Grant and photo at All Saints Church Winterton. All Saints Church were awarded £25,000 for the professional fees in order to develop the plans needed for their project

### CCTV

We attended a meeting with WTC to discuss the CCTV provision along with the Cabinet member for Customer Services and officers from NLC, and looking to work together to resolve and improve the issues

### Earlsgate Planning Appeal

See email from Martin Wilson today, and copied to clerk - we have replied to him with the URL link from local estate agents which lists the "BUILDING" as being for sale.

Interestingly the wording of this property advert seems rather ambiguous, " NEW PRICE - A RARE OPPORTUNITY TO ACQUIRE THIS INDIVIDUAL SINGLE STOREY DETACHED PROPERTY - CURRENTLY DIVIDED INTO 4 ROOMS PLUS A BATHROOM WITH PROVISION BEHIND UPVC DOORS TO BE USED AS A GARAGE - A VERY INTERESTING PROPERTY "

Depends which way one interprets "behind" UPVC doors
