

**Winterton TC**

**May 16<sup>th</sup> 2017**

- 1) Councillors would like clarification on whether or not the skate park is to be left unlocked overnight.

We have made representations and asked for the skate park to be either unlocked or opened for longer periods of time.

- 2) In relation to the Travellers on Holmes Lane, concerns were raised over the incinerator being used to burn rubbish. It is close to the hedge and has been left unattended whilst burning.

We have asked the NLC Traveller officer to make visits. He has advised that he has visited the site and is seeking further legal advice on resolving the situation with regard to these travellers, as they keep returning within the restricted time frame. They are clearly not adhering to the eviction notices and further actions are being sought.

- 3) The Councillors would like clarification over the public toilets, are they staying open or closing.

The Public Toilets are remaining open for the foreseeable future.

- 4) Councillors would like to know at what stage is the planning application for the large sign erected over the driveway of Rangers.

The architects and planning department have clarified a couple of points regarding the application and the application will be validated in the very near future.
