

Winterton TC

18th July 2017

- We have asked for the trees to be pruned back around the bus shelter on North Street.
- We have asked for the officer to look at the disabled parking bay on Market Hill to be looked at as residents have said it is very difficult to manoeuvre and out of it, and it was easier to park in a non-disabled bay.
- Electrical maintenance Winterton Junior School on site summer 2017 2016-2018 £180,000 with another £150,000 budgeted for 2018/19
- Roof Maintenance at Winterton Juniors nearly £55,000 spent already with another £70,000 budgeted for 2018/19
- Elaine and Helen met with residents around the Coates Ave/ Bennet Drive area re the PA/2017/917. We asked for this to be determined the planning committee.
- We have asked for further speed monitoring in Winterton, as residents have expressed their concerns particularly on High Street and Northland Roads. We have spoken with the local policing team for further monitoring following concerns of “boy racer” type cars and erratic driving.
