

Winterton TC

21st November 2017

- **Mosaic in Civic Centre**
The sale of Civic Centre is in the very early stages. Civic Centre is a listed building and the building, along with the mosaic is protected under the listed status.
- **Highways**
Ian Jickells is tasked with looking at all measures raised by WTC. We met with him last week to discuss the issues raised. Mindful that we have raised all these problem before, we are working together to try to prioritise works for a way forward.
- **Antisocial Behaviour**
Ralph has met with the police this week and they advise that they are aware of the anti-social behaviour around the Rangers and are putting measures in place to tackle.
- **Barrier on Holmes lane**
Tim Allen is looking into resolving this issue.
- **North Lincs in Bloom**
To clarify following a question regarding apportioning the grant at the last meeting where it was suggested that Brigg Town Council were receiving more per head.
Winterton population 4896 = £0.61 per head
Brigg population 5640 = £0.53
- **Bus Shelter**
All vandalised bus shelter panels were replaced on Thursday 16th November
- **PA/2017/1723**
As soon as we received notification regarding this planning application we first and foremost had asked that it be determined by the planning committee, rather than an officer decision. Following local residents contacting us with their concerns we made representations to leader of the council and the cabinet member and it was agreed to withdraw this piece of land from sale and planning proposals. Cabinet member is also looking at alternative proposals.
