

**Winterton TC**

**19<sup>th</sup> July 2018**

- We presented Winterton Town Council with the Certificate for the North Lincs in Bloom Grant at the Winterton Show. Winterton is looking beautiful with all the floral displays.
- We presented the certificate for the Community Grant for the Winterton Agricultural Society for their community grant for the toilet facilities at the Winterton Show. The toilets made a huge difference to the enjoyment of the show. The facilities are much more modern and easier to clean.
- We have been invited to the official launch of the Men In Sheds. Elaine will be attending.
- We received a complaint regarding an Ellgia lorry dropping litter out the back of a lorry heading to Roxby Landfill. We liaised with Biffa and they have reminded their drivers about their sheeting responsibilities and taking extra care along A1077
