- **Multi Agency ASB meeting**

Next meeting of the multi-agency meeting 26th June.

- **Footpaths**

The footpaths have all been around Malkinsons Close and Westwinds Road have all been resurfaced and the contractors were contacted re the original poor workmanship when clearing the paths. They have cleared away satisfactorily and we received many comments that the footpaths are in the much better state. We have queried as to why Low street footpaths have not been completed at the same time. We have asked that Low Street is to be scheduled in following the completion of investigative works by Anglian Water.

- **Age UK update**

Age UK lifestyle centre closes on 15th July. Age UK were renting the property from a private enterprise.

NLC are in talks with partners over securing the transport service for this.
